The successful completion of Formative Assessment II demonstrates the school's commitment to academic excellence and the rigorous evaluation of student progress.

2.3. Theme of the Month & Thought of the day : At Oasis Academy, we have introduced the Theme of the Month initiative, with January's theme focusing on "Forgiving." Throughout the month, our goal is to instill the value of forgiveness within our school community. Daily reflections, discussions, and activities have been organized to encourage students and staff to reflect on the importance of forgiveness in their lives. Teachers have also incorporated the theme into their lesson plans to provide a holistic approach to understanding and practicing forgiveness. We believe that this initiative will foster a more compassionate and supportive environment, promoting personal growth and resilience among our students and staff.

3. TRAININGS/WORKSHOPS:

3.1. Training on Belief Tree : Oasis Academy conducted a workshop on 8/01/2024 on the topic "Belief Tree". The workshop started at 9am and continued till 1pm. The resource person for the day was Rev Mangneo Haokip and total members present were 21.

The workshop began with an opening prayer by Rev Minlun Vaiphei. The session started off with the topic Why and What? Each member was asked to draw anything of our choice and later made to explain why? The purpose of this was to experiment on whether we could explain our reason for drawing what we drew. The main idea was that everyone should be able to explain "Why" we do or like certain things.

We also had a retrospection on the 6 core values and 9 habits of the school. The workshop focused mainly on personal growth as an individual or a teacher and to be appreciative of others by expressing oneself.

We had also learnt distinguished topic to take stands from that by comparing the Belief Tree as a man and divided it's parts as given below: Fruits : Action/Program ; Branch : Decision/ policies ; Trunk : Values ; Root : Belief ; Soil : World view.

3.2. Training on Interactive flat panel : On January 11, 2024, Oasis Academy conducted a Training on Smart Class in the Multi-utility Hall, which was attended by 15 teaching and non-teaching staff members. The training aimed to familiarize participants with the usage and functionalities of Interactive Flat Panels in classroom settings. Led by resource persons Angshuman Paul, Cluster Manager, and Shakti Raj, Trainer, the session provided hands-on demonstrations and practical tips for integrating technology into teaching practices. Participants gained valuable insights and skills to enhance their classroom delivery and engage students more effectively through interactive learning tools. The training concluded successfully, equipping staff members with the knowledge and confidence to leverage Smart Class technology for improved teaching and learning experiences at Oasis Academy.

3.3. Students Internship : On January 17, 2024, Oasis Academy hosted a college student internship program aimed at providing practical teaching experience to aspiring educators. Two interns, Mr. Minthang Vaiphei and his friend, were assigned to work with Class IV students in the Multi-utility Hall. Throughout the internship, the interns actively engaged with the students, assisting teachers with classroom activities, facilitating learning exercises, and providing individualized support as needed. Their presence enriched the learning environment and offered valuable insights into innovative teaching methodologies. The internship served as a beneficial learning opportunity for both the interns and the students, fostering collaboration and mutual growth within the school community at Oasis Academy.
